

Hermes Team Expands again..

We are delighted to announce two more additions to the Hermes team.

A warm welcome to Michael Sharfman who joins our Technical Team as DBA Support

and to Amrath Kharvi who joins our QC Team as a QC Engineer.

Much has changed at Hermes over the last two and a half years as we grow our portfolio offering and customer base.

Our list of customers has expanded to include Etihad, who signed up towards the end of last year and projects currently running in early 215 include PCF (Perishable Center Frankfurt, CACC (Cairo Airport Cargo Company) and HCS (Hahn Cargo Services).

Hahn Cargo Services GmbH

Recently Freight Business Journal (FBJ) interviewed Hermes CEO Yuval Baruch who took over the helm in the summer of 2012. Since then he has helped the company keep pace with a changing industry. [Read the full article here.](#)

About HERMES Logistics Technologies

inbuilt expertise
Hermes

HERMES is an IT Solution designed specifically for the Air Cargo industry. With over 200 years of combined Air Cargo Handling experience, the HERMES Cargo Team have developed a robust, comprehensive & flexible solution, currently used by Airlines, Ground Handlers and Airports whose operations control cargo volumes from 10,000 to in excess of 1,500,000 metric tons per annum.
